SEAMLESS DEZIRE

Have you always worried about your home's beautiful interiors being spoilt by boring, unpleasant Distribution Boards that draw attention? Are you among those who try their best to hide the Distribution Board away – tucked in a corner where no one can see it?

It's time we change the way we look at Distribution Boards. Legrand's Dizly range of Distribution Boards are stylish and aesthetically designed to always enhance the look of any interior, while never compromising on safety. The metal Dizly boards add a touch of class that you would love to flaunt and turn heads, every time guests walk in.

Legrand's philosophy of every piece of product design - from the choice of material and reliability to its eye-catching looks, needing to add value and a sense of 'living the advantage' in the users' lives, continues with the Dizly range.

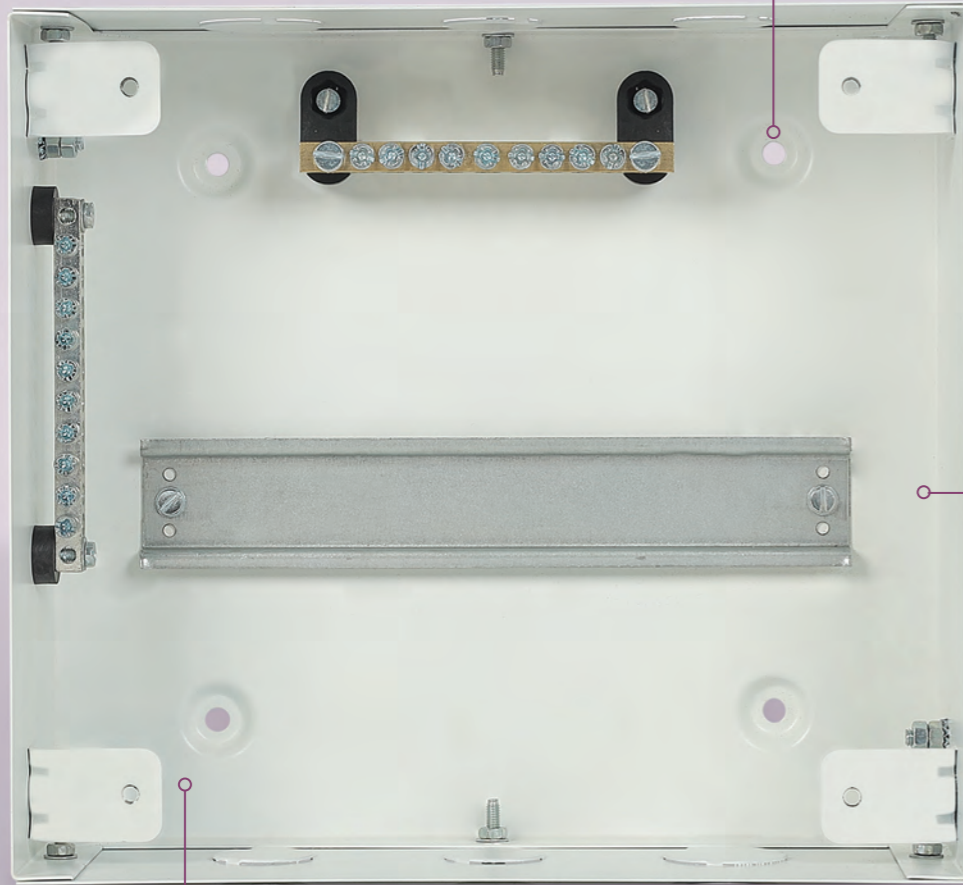

# Product Features

**Suitable for Flush Mounting and Surface Mounting**  
Mounting key holes are provided in every Dizly DB, as an option for surface mounting

**Ease of Wiring**  
Adequate wiring space is provided

**Striking Design**
