The All-rounder Switch

Designed to complement modern interiors with finishes that match Legrand modular wiring devices.

Why It Matters

BLDC fans are designed for energy-efficient performance and smoother operation, but achieving the right control experience requires a regulator built specifically for BLDC technology.

Legrand BLDC fan regulators deliver stable speed control, precise performance, and seamless compatibility with modern BLDC fans, all while maintaining a premium modular aesthetic that blends effortlessly with your switch range.

KEY FEATURES

Designed for BLDC ceiling fans (non-remote)

Smooth & precise speed control

Suitable for residential installations

Seamless integration with Legrand modular ranges

Available in selected finishes across ranges

BENEFITS AT A GLANCE

Better control easy fan speed adjustment

Energy efficient living complements BLDC fan efficiency

Reliable everyday use built for regular home use

Consistent premium look matches legrand switch ranges
