

# INCARA™

MULTI-FUNCTIONAL,  
ERGONOMIC & SIMPLE TO  
INSTALL SOLUTIONS  
TO LIVE, WORK AND MEET

# INTRODUCING INCARA

Legrand Incara is a range of modular, ergonomic power and data access modules designed to blend seamlessly into modern furniture, offering stylish, integrated connectivity for desks, meeting tables, and shared spaces. Designed for both installers and end users, Incara ensures easy installation, seamless furniture integration, and everyday ease of use.

## NEW LAUNCH: COMPACT POWER FOR EVERYDAY WORKSPACES

### INCARA™ DISQ 60

#### Recharge anywhere, at any time

A discreet, flush mounted solution based on a standard 60 mm cut out, ideal for workstations and shared desks.

#### Key Highlights

- Power socket or USB charging within easy reach
- Compact, discreet design that blends into furniture
- Quick and easy installation
- Ideal for flexible and shared workspaces

### INCARA™ DISQ 80

#### Essential functions for mobile users

A modern workspace solution designed for seamless furniture integration through a standard 80 mm cut-out, ideal for collaborative and flexible work environments.

#### Key Highlights

- Combines power, USB A/C charging & data connectivity
- Designed for modern office furniture
- Clean, flush design for a clutter free workspace
- Perfect for mobile first users

# ONE RANGE. MULTIPLE WORKSPACE SOLUTIONS.

From individual desks and collaborative workstations to meeting rooms and shared environments, Incara offers thoughtfully integrated power and connectivity solutions tailored to different furniture types and usage needs, while maintaining a refined and consistent design language across spaces.
