A little touch of genius

WHITE. FOREVER IN TREND!

Introducing the
New White Dove finish
from the Mylinc range
of switches.

legrand[®]
LIVE THE ADVANTAGE

At **Legrand**, we have been shaping electrical and digital infrastructure for decades. Built on engineering excellence, uncompromising quality, and global scale, we are trusted across residential, commercial, and industrial spaces for reliability that endures and performance that evolves.

Bringing this legacy into contemporary homes, **Mylinec** reflects our commitment to thoughtful innovation and everyday functionality. It brings over two decades of trusted experience in wiring devices, known for its reliability and dependable performance. With its compact form factor, durable design, and refined aesthetic, it stands apart while carrying forward **Legrand's** trusted expertise.

WHITE FOREVER IN TREND

White has always been in trend - timeless, versatile, and always relevant in interiors. With White Dove finish, Mylinc reimagines this classic through a smooth matt surface that feels softer, looks cleaner, and blends effortlessly across styles.

Built on Mylinc's signature little genius design, this new avatar enhances what users already trust, bringing a more contemporary expression while retaining its dependable performance and compact form. Subtle yet distinctive, it brings timeless appeal to everyday spaces.
