

LIVE THE ADVANTAGE

# Myrius™

INSPIRED *to be more*

# INSPIRED

*to be more*

The Myrius range is crafted to inspire you to do more with your spaces, time, and ambitions. Every detail, from its elegant geometry to its refined finishes, reflects a vision of living where beauty and purpose come together seamlessly. With global certifications and proven performance across homes, hospitality, and commercial spaces, it stands as a benchmark of quality shaped by experience.

Defined by a slim profile, clean geometric forms, and a wide palette of finishes, Myrius complements interiors of every style. Guided by Legrand's Designing philosophy, its modular plates and frames ensure effortless installation, while safety shutters and durable components deliver long-lasting performance.

Myrius adapts to evolving lifestyles with thoughtfully designed modules that blend design with functionality, offering the freedom to personalise while maintaining a timeless aesthetic. With the option of IoT-enabled modules for enhanced convenience, Myrius is an exquisite expression of taste, precision, and purpose, created to elevate the everyday and bring sophistication to every home.

- Global styling and design language
- High-quality materials and finishes
- Wide range of colour plates

## PLATES & FINISHES

# INSPIRED BY YOUR *elevated standards*

At Legrand, we challenged ourselves to go further, inspired by the choices you make. The Myrius range draws from your refined taste and the little details you value every day. That's why we crafted our plate finishes in distinct premium styles.

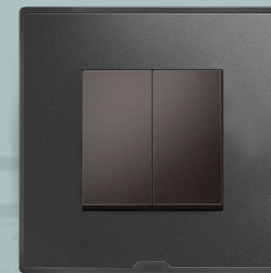

Myrius lets you extend your sense of style to every corner of your space. Choose from thoughtfully curated finish families: Regular finishes in White and Charcoal Grey; IMD Ice finishes in Ice Black, Ice White, Ice Graphite, and Ice Silk; IMD Brush finishes in Sonic Silver, Pearl Champagne, and Dark Fade; and Glass finishes in Black Glass and White Glass.

Inspired by India's love for colours, these finishes are crafted using advanced In-Mold Decoration (IMD) technology, ensuring exceptional consistency, depth, and durability in every plate. The result is a modern, sleek, and flat design language that adds a refined, designer touch to any space.

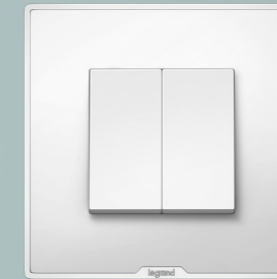

Whether you prefer an understated elegance or a bold, statement look, Myrius offers a versatile palette of 11 distinct finishes—giving you the freedom to choose and the advantage of enduring quality.

## REGULAR FINISHES

# GLASS PLATES

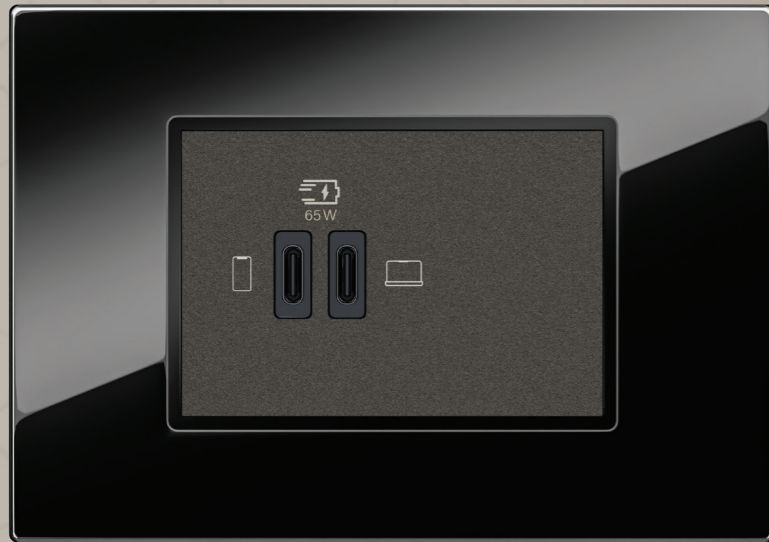

# INSPIRED BY YOUR TASTE FOR

*the exceptional*

Redefine your interiors with the sleek elegance of Myrius Glass Plates by Legrand. Meticulously crafted from 3 mm toughened glass, each plate is a statement in durability and design. The reflective finish adds a layer of understated luxury, perfectly aligned with the aesthetics of modern living.

Available in two elegant finishes, they're the perfect choice for spaces that demand both style and substance.

# CHARGING SOLUTIONS

# INSPIRED BY YOUR PASSION

*to do more*

Your day doesn't wait, and neither should your devices. That's why our fast-charging USB solutions are designed to keep your devices powered up and your day uninterrupted.

From back-to-back meetings to late-night streaming, your devices are part of your daily routine. Our fast-charging solutions are designed to keep up, supporting high-speed charging across mobiles, tablets and laptops. Whether at home or at work, experience uninterrupted performance with power that's always within reach.

Because when you're inspired to do more, every second counts.

COMPATIBLE FOR LAPTOP CHARGING

# INSPIRED BY THE RELIABILITY

*you live by*

10A Switches

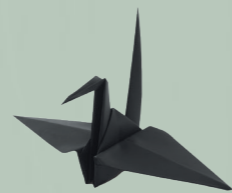

Some things never go out of style—like dependability. Our 10A switches are designed for everyday performance, Built to last and made to be trusted, they reflect the quiet strength you value most.

Simple. Dependable.  
Just the way you like it.

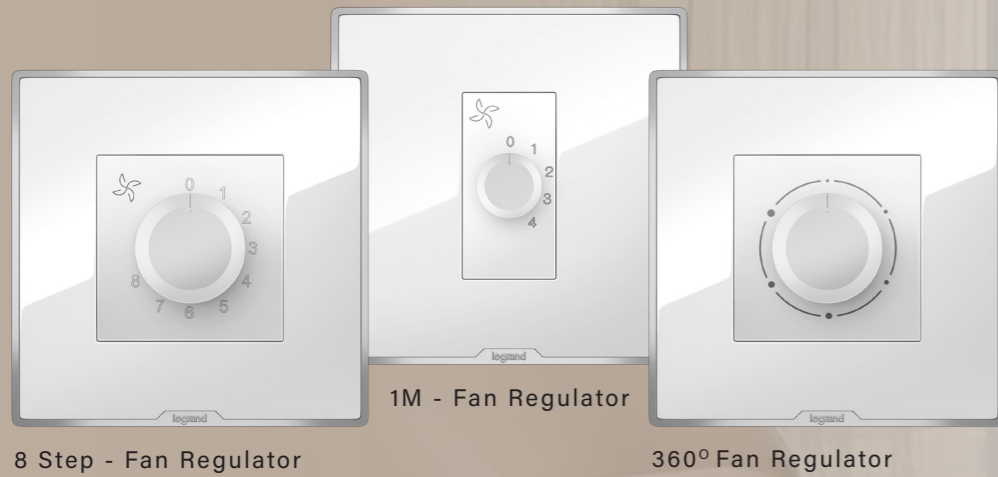

# BLDC FAN REGULATORS

# INSPIRED BY TRENDS THAT *move with you*

8 Step - Fan Regulator

1M - Fan Regulator

360° Fan Regulator

Innovation never stops, and neither do you. That's why our range of fan regulators is built to match your pace, whether you're using a standard ceiling fan or an energy-efficient BLDC fan (non-remote).

With a sleek 5-step design, the BLDC regulators give you precise control over fan speed while promoting energy savings and comfort. Available in both White and Charcoal Grey mechanism finishes, the range combines intuitive functionality with a contemporary look, bringing effortless control into any modern space.

BLDC Fan Regulator

\*BLDC regulators are compatible with non-remote Atomberg (Efficio), Havells (Eficiencia Neo), and Orient (Aerostorm) as per 2023 fan models.

# ANTI-BACTERIAL SWITCH AND PLATE

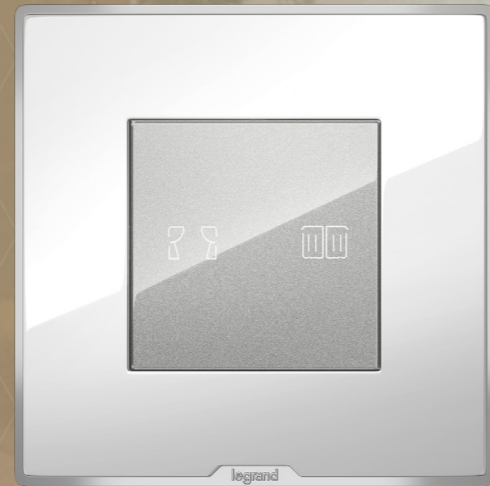

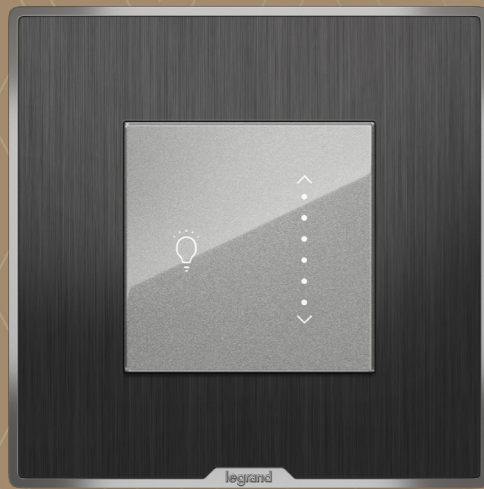

Anti-Bacterial Switch

# INSPIRED BY YOUR PROMISE

*to protect*

Every choice you make reflects your care for the people around you. That's why we developed a range of anti-bacterial plates and mechanisms designed to elevate hygiene at homes and hospitals. With silver ion technology built into every switch and surface, they help block bacterial growth from day one—bringing cleanliness, comfort, and confidence into every room.

# TOUCH SWITCHES

# INSPIRED BY A TOUCH OF *everyday brilliance*

Meet switches that redefine simplicity. With a distinct Titane finish, our Touch Switches are engineered for elegance and everyday ease. Each one is individually tested for durability, consumes minimal power, and includes in-built memory that remembers your last settings, even after a power cut. And thanks to a sleek high-gloss surface, they're as easy to clean as they are to admire.

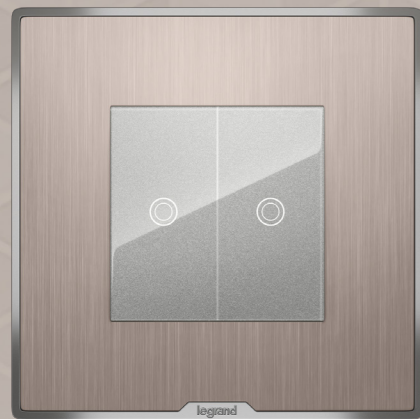

Designed for modern living, down to the last detail.

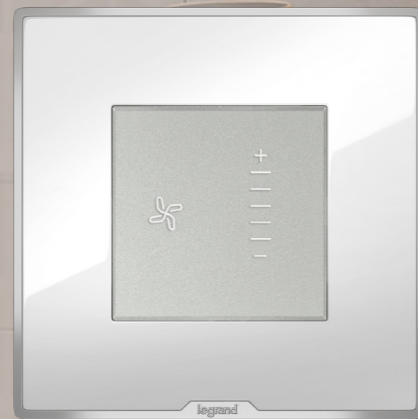

# INSPIRED BY YOUR DISCERNING *taste in design*

When style meets sensibility, the result is effortless sophistication. Our sleek, minimalistic Touch Switches draw from global design influences to offer a refined, modern aesthetic, crafted to complement and elevate today's most elegant interiors. All with the convenience of seamless control at your fingertips.

1 Way - Touch Switch

# INSPIRED BY YOUR DESIRE TO SHAPE

*every moment*

Touch Universal LED Dimmer

Every day is different—some call for sunlight and open skies, others for calm, cocooned spaces. With our Universal Touch LED Dimmer, you can follow your instinct in real time.

From quiet evenings to lively gatherings, the Touch Universal LED Dimmer is designed for seamless control. With just a touch, shift the atmosphere to suit your mood and make your space feel exactly the way you want it to feel.

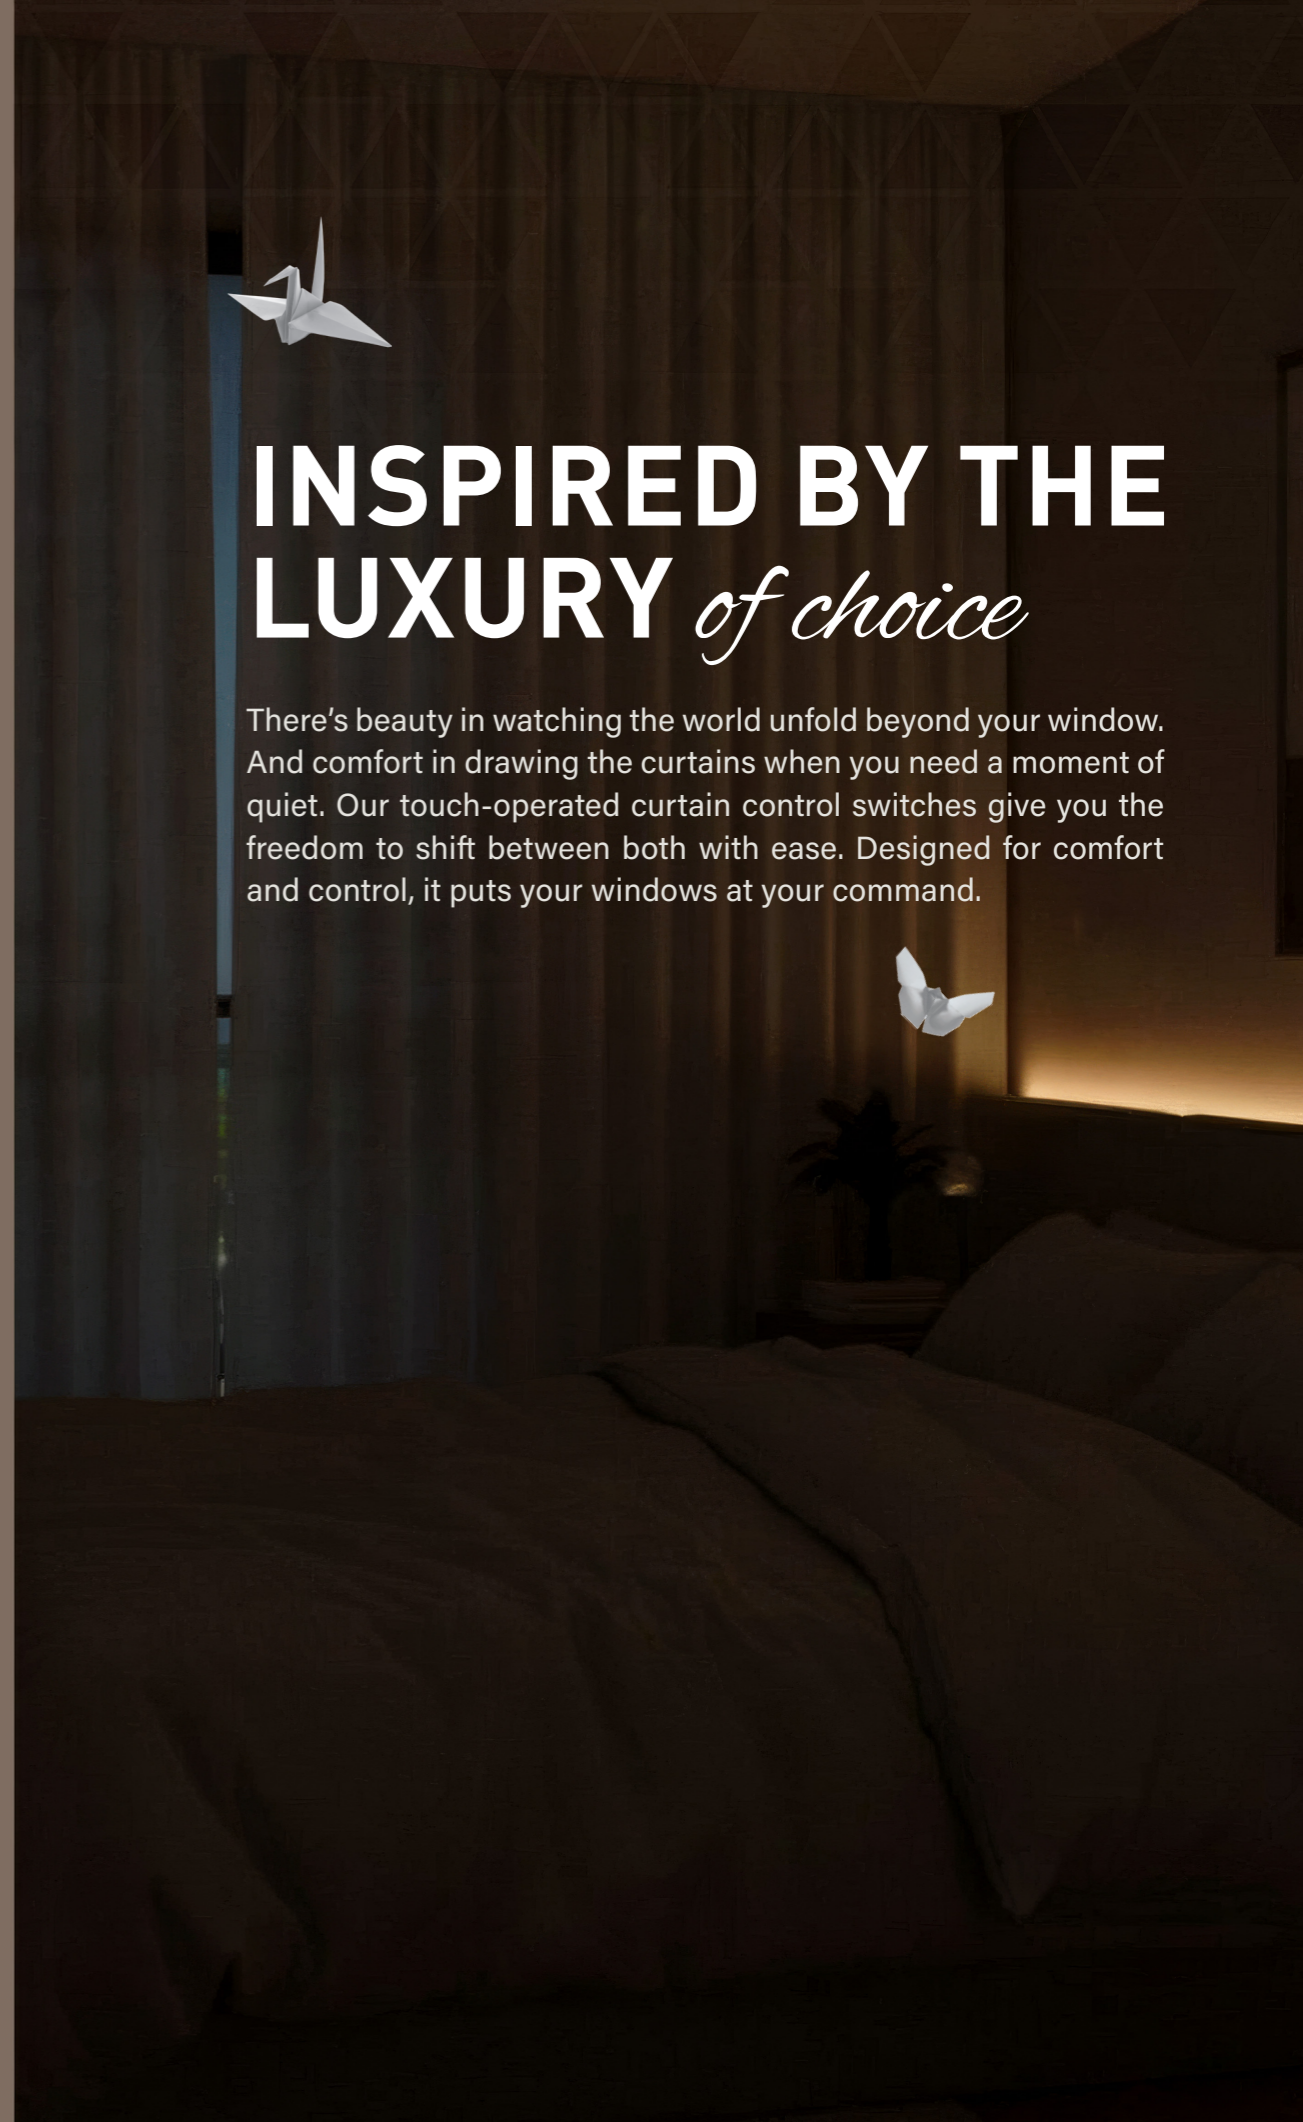

Touch Curtain  
Controller Switch

Touch Curtain  
Controller Switch

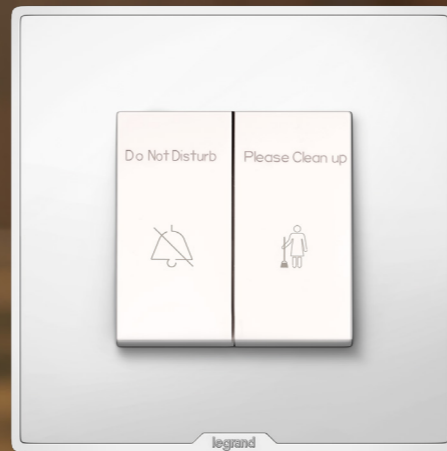

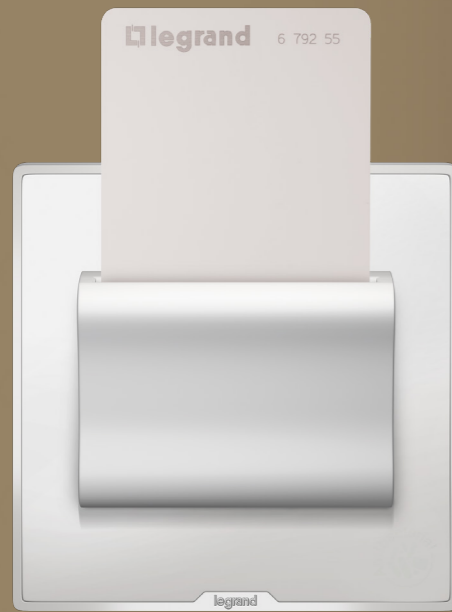

# INSPIRED BY THE LUXURY *of choice*

There's beauty in watching the world unfold beyond your window. And comfort in drawing the curtains when you need a moment of quiet. Our touch-operated curtain control switches give you the freedom to shift between both with ease. Designed for comfort and control, it puts your windows at your command.

# HOSPITALITY SOLUTIONS

# INSPIRED BY THE ELEGANCE OF *effortless stays*

From intuitive lighting to seamless automation, our solutions are designed to enhance the guest experience, making every space more comfortable and convenient. Every detail is crafted for ease, helping deliver smart, scalable systems for lighting, ambience, and control.

Hospitality, just the way it should be.

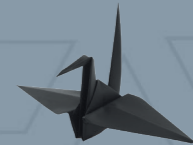

Infrared Sensor Switch

# INSPIRED BY THE ENERGY

*you bring*

Why should you reach for a switch when your space can respond to you? Be it in a hallway, or a common area, our Infrared Sensor Switch activates lighting the moment it senses your presence. Efficient, intelligent, and effortless, just like the way you move through the world.

# INSPIRED BY THE SIMPLICITY OF *smart living*

Designed for environments where efficiency meets experience, our HDMI Socket ensures seamless connectivity and effortless setup across devices. From boardroom presentations to in-room entertainment, it delivers a smooth, reliable connection—every time.

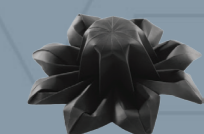

Enhancing this ecosystem is the Bell Call Indicator—an intuitive solution for discreet and efficient communication. With a simple touch, it sends a clear call signal, enabling teams to respond promptly to guest or meeting room requirements. Whether it's coordinating service in hospitality spaces or signalling support during meetings, it ensures communication that is seamless, responsive, and unobtrusive.

Preterminated HDMI Socket

Bell Call Indicator Switch

# INSPIRED BY MOVEMENT THAT DESERVES

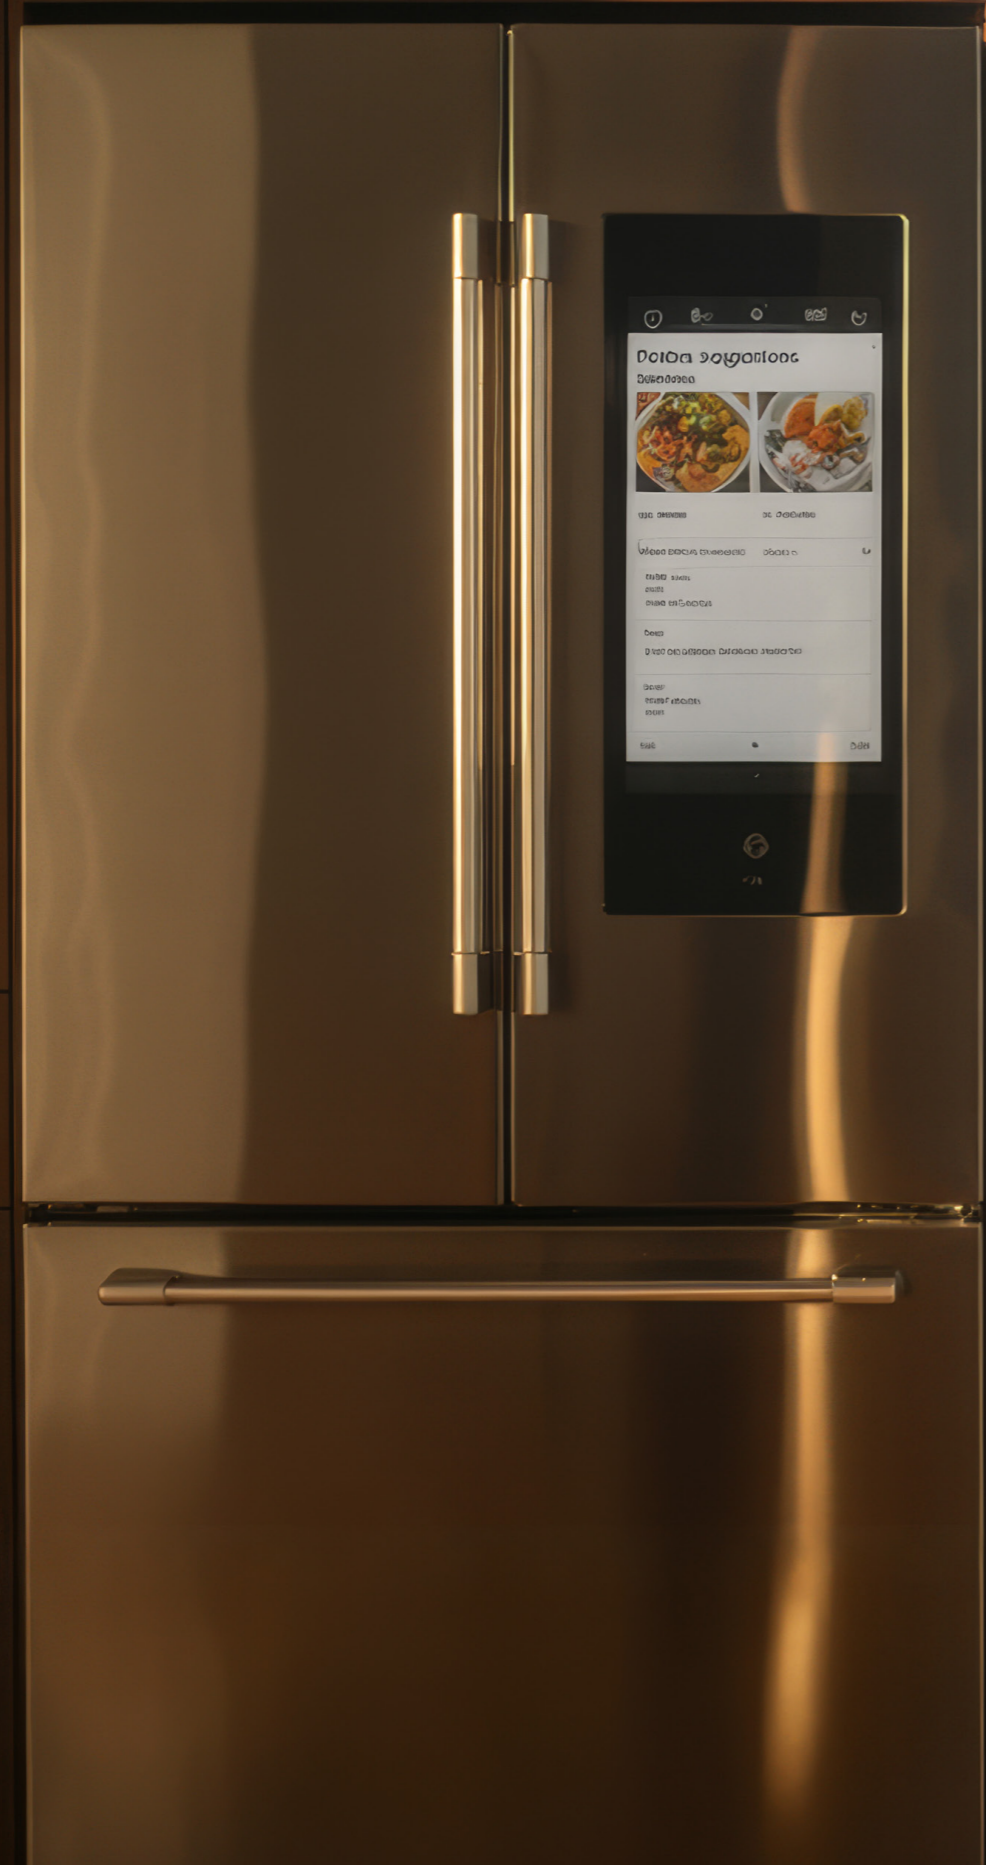

*a guiding light*

Skirting Light

Not all lighting needs to announce itself. The Skirting Light is designed to subtly accompany your movement, bringing comfort, safety, and a sense of calm after dark. Whether in a hotel room, hallway, or suite, it is thoughtfully designed and discreetly placed to always guide you, when you need it.

# IoT SOLUTIONS

# INSPIRED BY YOUR VISION OF *connected comfort*

With centralised control of switches, shutters, fans, and sockets, the Legrand IoT ecosystem puts you in charge intuitively, effortlessly and intelligently. Experience living spaces that respond not just to your touch, but to your rhythm. This is comfort elevated to be seamless, responsive, and unmistakably yours.

Connected Curtain/Roller Blind Switch

# INSPIRED BY YOUR NEED

*for perfect light*

Whether you're chasing the golden glow of mornings or retreating into shaded afternoons, the IoT Curtain Control Switch puts the power of natural light at your fingertips. Let the warmth in, draw the shade when you need calm, or adjust the mood in between.

It's smart comfort, designed to move with your day.

Connected Gateway  
Wireless Switch

Connected Home/Away  
Wireless Master Switch

# INSPIRED BY YOUR LIFE *on the move*

Some days are spent at home. Others, in airports, meetings, or weekend getaways. Wherever life takes you, the Home/Away Wireless Master Switch keeps you in control of your space.

Control lights, shutters and sockets with a single touch or remotely via app. Convenience, simplified for your fast-paced lifestyle.

# INSPIRED BY YOUR NEED TO

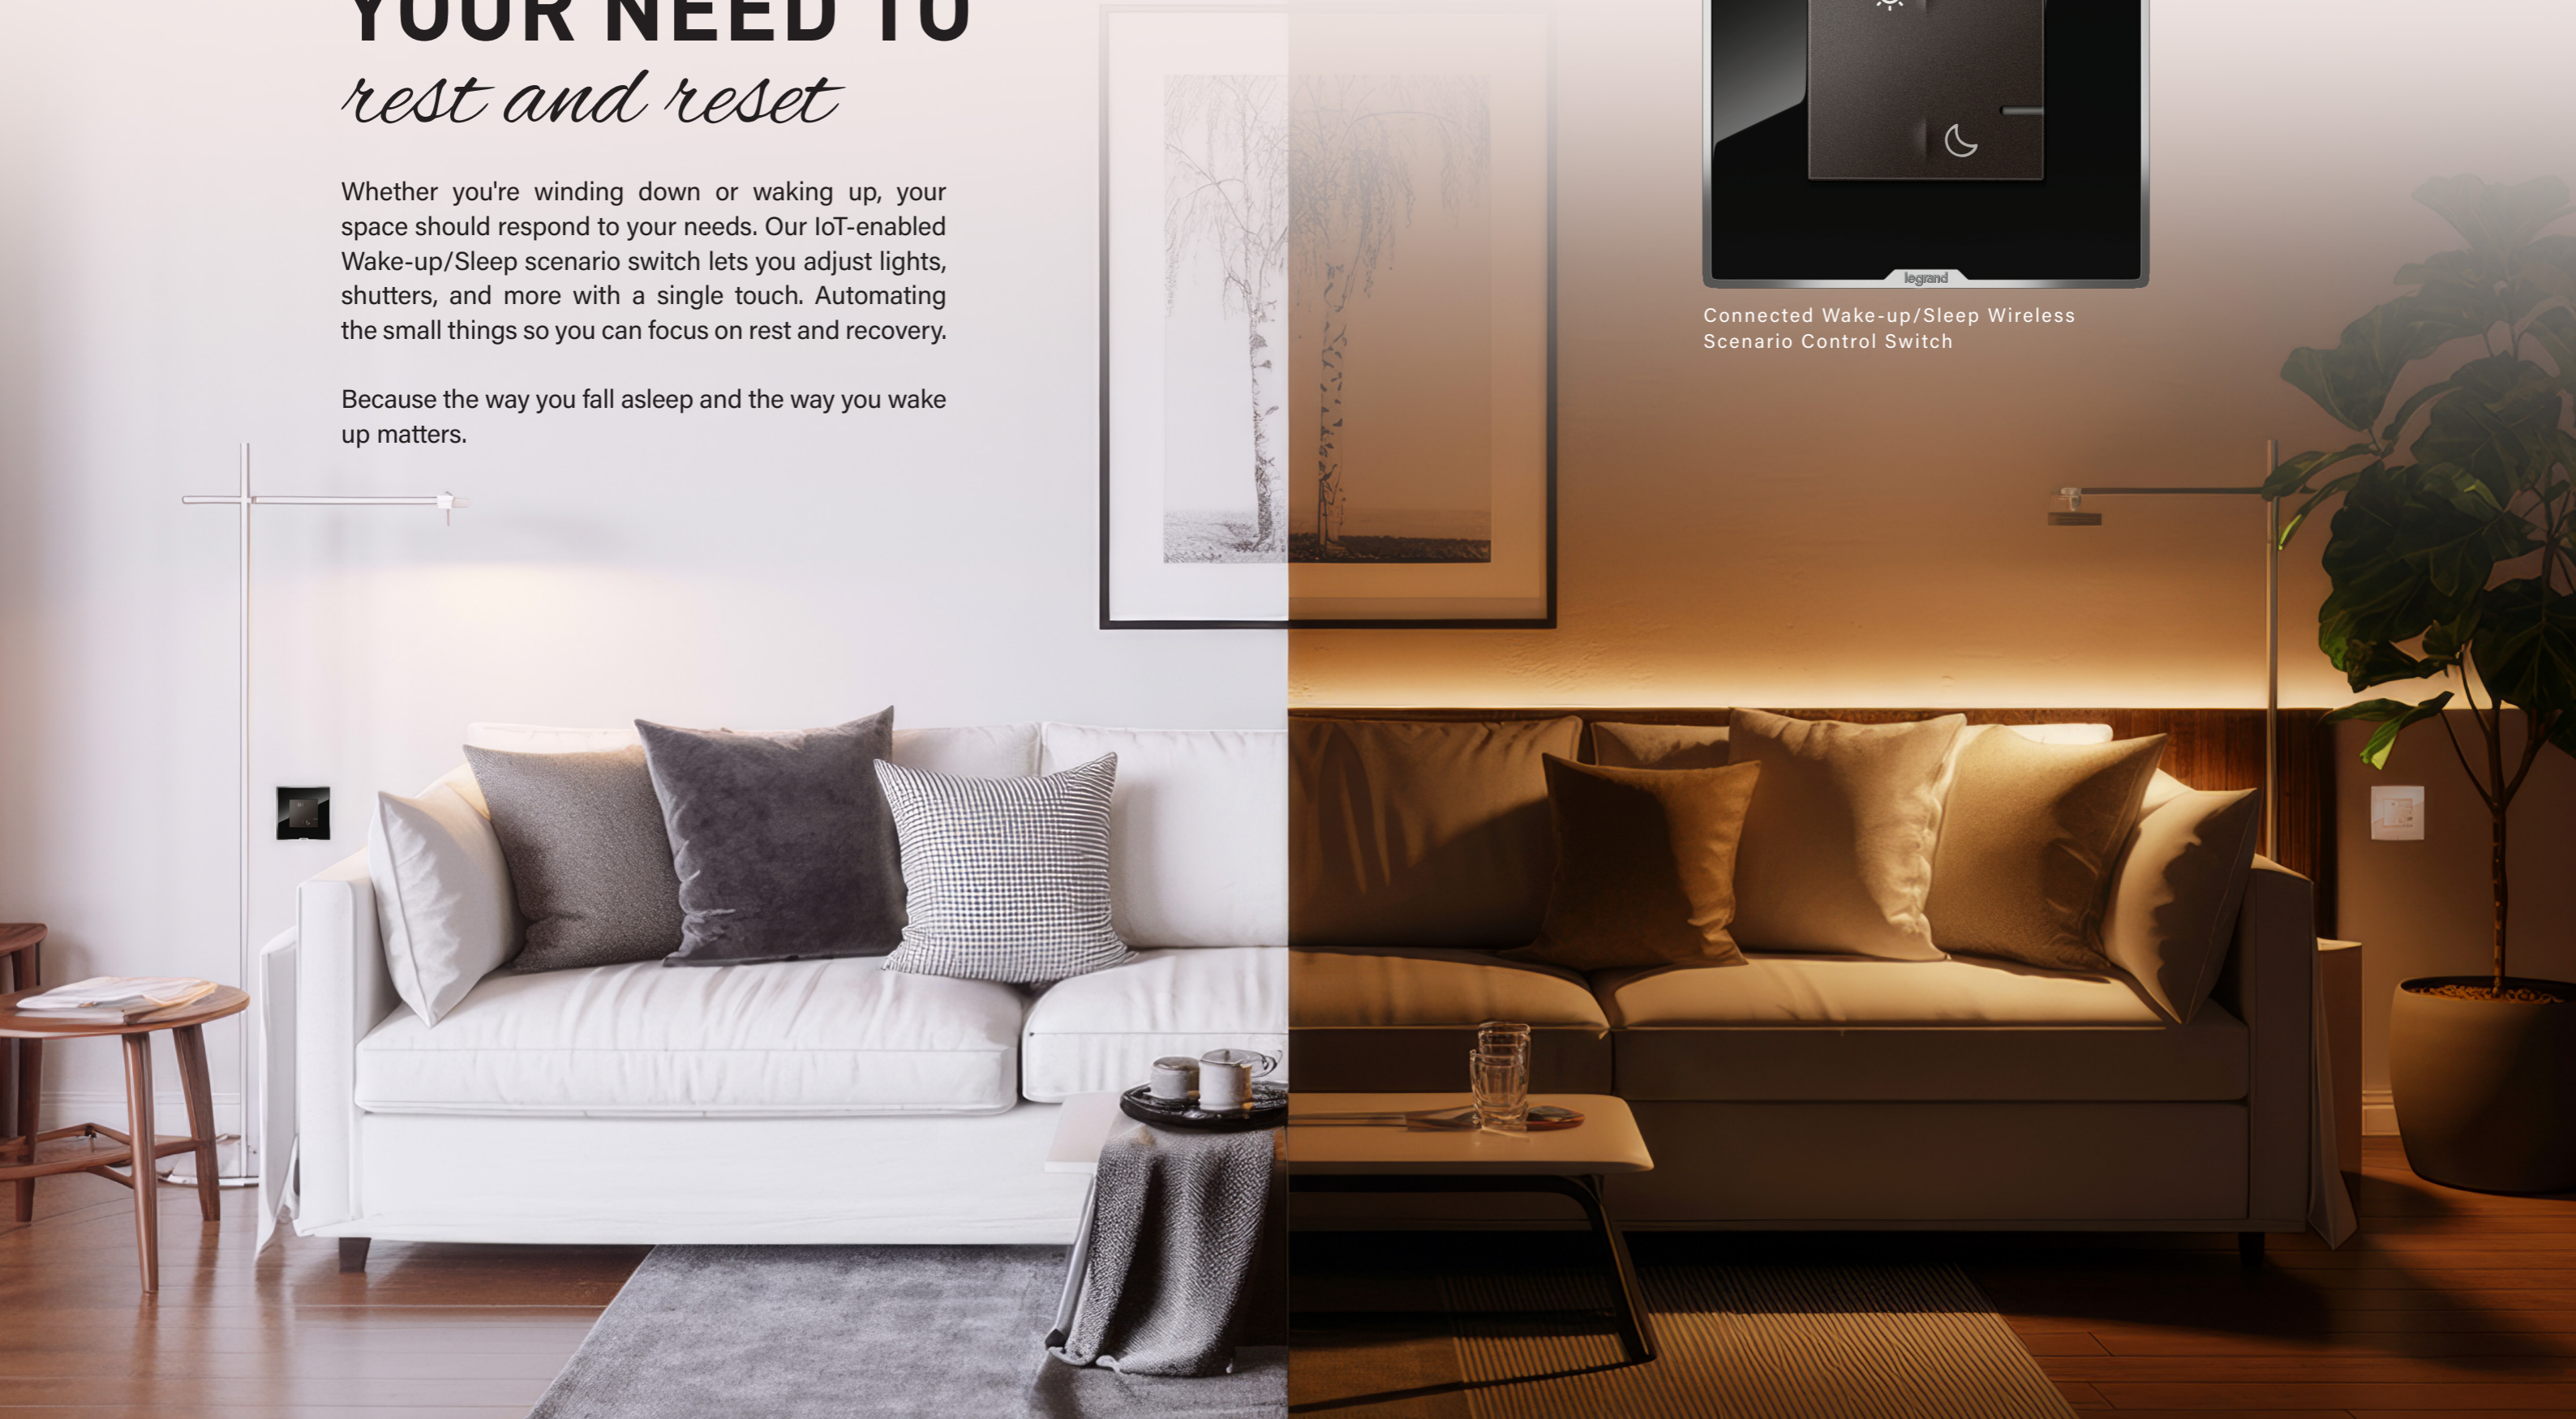

*rest and reset*

Whether you're winding down or waking up, your space should respond to your needs. Our IoT-enabled Wake-up/Sleep scenario switch lets you adjust lights, shutters, and more with a single touch. Automating the small things so you can focus on rest and recovery.

Because the way you fall asleep and the way you wake up matters.

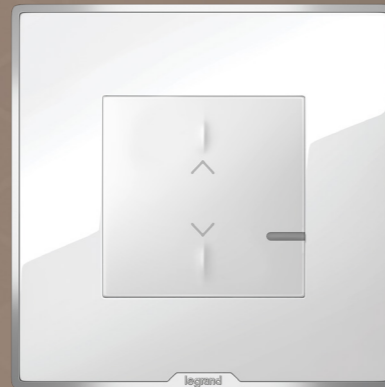

Connected Wake-up/Sleep Wireless Scenario Control Switch

Wireless Switch

Curtain Control Switch

# INSPIRED BY THE FREEDOM *to choose differently*

Comfort looks different for everyone. That's why we let you take control, your way. Use switches when you like, swipe the Legrand Home + Control app when it's easier, or simply use voice commands. From managing lights to curtains to energy tracking, everything responds to you in the way that suits you best.
